

### General information

Our shared self-catering apartments are standard economy. They are not identical and vary in style and size, however they are all of a similar standard and have the same facilities.

All apartments are within walking distance to the school and the prices (unless stated otherwise) include; utility bills, Wi-Fi in the common parts of the apartments, weekly cleaning of the kitchen, T.V area & bathrooms. We do not clean the bedrooms nor change the bed linen, we only do this for new arrivals. Extra linen is provided in each apartment in the dedicated linen cupboard. Should clean linen not be available students may ask at the school reception.

Washing machines are available either inside the apartment or in the laundry area depending on the apartment allocated. Washing machine tokens can be purchased at the school reception. A quick wash starts from € 2.

As these are self-catering apartments, students are responsible to look after their own bedroom and change of linen as well as the general cleanliness of their apartment including disposing of the garbage bags. Garbage has to be taken out by the students as instructed on notices that are found in each apartment with clear information on rubbish collection days and times. Students are responsible to bring with them their own towels, toiletries and cleaning materials.

Triple / Quad rooms can have a maximum of 4 students, Twin rooms can have a maximum of 2 students and Single rooms are for 1 student.

All apartments are serviced with lifts and have cable TV. Additional cleaning can be purchased between € 10 - 30.
